

## STUDENT ACTIVITIES

Each secondary school shall provide a quality enrichment program for a maximum number of students through a variety of appropriate activities compatible with the school's regular instructional and activity program. All athletic programs shall be conducted in accordance with guidelines established by the Kansas State High School Activities Association.

### Adding or Eliminating Activities

Administrative recommendations to add or eliminate specific activities shall be considered by the Board of Education. Individual patrons or groups of patrons may request the addition or elimination of activities, including athletic activities, pursuant to Administrative Regulation No. 8375-2.
